

# The Small Things Make a Big Difference.

Employees are the heartbeat of your hotel. At Kimberly-Clark Professional, we take care of the small things that help them do their best. From tools to insights, our solutions help you create an exceptional workplace that makes employees feel appreciated and motivated to exceed guest expectations.

Get Started 

Your employees make a **big difference...**  
...in the **small things** that guests notice.

Kimberly-Clark Professional focuses on your hotel's top priorities, starting with our **customized Site Assessment**.

Let us take care of the small things that help your employees create an exceptional experience for guests.

### Spread positivity. Not germs.

76% of hotel guests worry about germs left behind by previous guests. Our Desk Caddies let guests know they are cared for with Kleenex sanitizing products.

### Give guests options.

45% of consumers are worried about germs in hospitality environments. Outfit communal spaces with our Refresh Stands for guests to use when needed.

### Give your staff the right tools.

Our Scott sanitizing spray and wipes help your employees kill 99% of germs, leaving behind nothing for your guests but a good impression.

### Be healthier.

Our program reduces the risk of cold and flu infection for guests and staff alike by 69%.

### Be safer.

We provide practical ways for your team to eliminate germs and safety risks in your hotel.

### Be productive.

We ensure your team is provided with the best tools to do their jobs effectively and efficiently.
